Sri MOHAMED ALI.—It has come to my notice that roads leading to Halebid are not in very good condition. A few months back when I visited Hassan, I discussed the matter with the Minister for P. W. D. and I have suggested that P. W. D. may improve the roads. A Guest House has been constructed at Halebid. There is a proposal to construct Pavilion at Belur. Apart from this there is much scope for improvement and for providing facilities for tourists. But for want of funds, the Government is not in a position to take up the other schemes immediately.

Sri M. S. KRISHNAN.—In answer to(*a*) you have stated that steps have been taken in order to have close Liaison with travel agents, tour operators and hoteliers. Has it not come to the notice of the Government that most of the Travelling Agents are racketeers ? Will the Government consider that it is not worthwhile inviting those people for the development of toursim in the State ?

Sri MOHAMED ALI.—The travelling agents that has been mentioned in the answer are for international tourists and not the local tourists.

Sri MOHAMED ALI.—Yes. Suggestion will be considered.
